 - b. **Zone 2.** Tabernash to Granby. Delivery and keg pickup/return is \$50.

4. We will normally be special ordering merchandise for the event package and as such need to finalize the order no later than 15 days prior to the event. If changes are made to the order after 15 days, the 10% discount will be reduced to 5% on the total order.
5. Ask us about our **party calculator** to help you in determining quantities prior to placing your order to insure you are ordering just the right amount for your guests.
6. In order to make the ordering process go as smooth as possible, we need to have a single individual appointed by you to handle all ordering with us. Please choose your representative wisely.
7. Lastly, our merchandise wholesalers charge us higher prices to bring merchandise over that great big hill you came over which rules out our ability to price match the large stores in Denver. We hope you will recognize that having the same products here is a convenience worth paying a slight bit more for.
8. We thank you for giving us the opportunity to help you with your wedding or special event and we pledge to do our very best to make our end as easy as possible for you so you have one less thing to stress over.
